Dear Trader

We are now taking trading applications for the Waveform festival, the sustainable dance music festival. In 2011 Waveform established itself as A Greener Festival's UK's greenest festival award winner and was an award winner again in 2009 and 2010, it's the environmentally friendly event with an incredible line up of cutting edge dance music. It's back with a late night music licence and even more musical variety.

Waveform will be held near Taunton, Somerset.

We will have market areas in the green village and dance arena.

Access to the site for food traders is from 12.00 Wednesday 29th, non food from 10.00am Thursday 30th August.

All stalls need to be open for business when the public arrive from midday on Friday 31st August. Trading hours are until midday Monday and the site must be cleared by 8.00pm that evening.

Successful applicants must be able to comply with our trading terms attached.

Pitch fees will be £150 small stall to £400 food trader, plus power.

Festival Information -

GREEN VILLAGE • GREEN ETHOS

We are especially interested in traders who do anything green and sustainable such as fair-trade, solar or wind powered, organic, eco-friendly, energy-saving, low carbon, green inventions, sustainably sourced products etc. If you fit this profile please do apply. If not then don't be scared off – we will still be interested in hearing from you.

Hope to see you there.

All the best
